Jack : Have you been to many places in Japan?

Michelle : I think so. I went to Kamakura, Yokohama, Kyoto, Nara, and Osaka.

Jack : Wow! So many places!

Michelle : I think Kyoto was my favorite. There are many temples there. You can feel the history of Japan there. It is quieter than Tokyo. I want to go there again.

Jack : What about food? Do you like the food in Japan?

Michelle : There is so much delicious food here in Japan. There's *tempura*, *sushi*, *okonomiyaki*, *soba*, *udon*, and so much more. Recently, I am eating *oden* because it is so cold. I feel warm when I eat *oden*.

Jack : Many people ask me that question.

Michelle : I like *udon* better, but I can eat both.

Jack : Can you eat *natto*?

Michelle : I like it, actually. I eat *natto* a few times a week.

Jack : I see. I have tried it a few times, but I don't like it. Do you watch Japanese TV?

Michelle : I don't watch TV at all. I usually play the piano in my apartment in the evening.

Jack : That's nice.

Michelle : Well, sometimes I go to a café. They have an international night there, and I can speak to Japanese people who are studying English. It is very interesting. I have made many friends there.
