Hi guys. Welcome to today's Easy Recipes. Today, we are going to learn how to make scones. In the U.K., they often eat scones with their coffee or tea. Simple and delicious. What do we need? That's easy. We need 2 cups of flour, 1/2 teaspoon of baking soda, a little salt, 1/4 cup of butter, 1/8 cup of sugar, and 1/2 cup of milk. That's all.

How do we make it? First, preheat the oven to 180°C. Second, we mix the flour, baking soda, and salt in a bowl. Next, we mix in the butter, sugar and milk, and mix it well. Now we place it on a pan and roll into 4 cm balls. Little balls and put them on a sheet of cooking paper. Last, we're going to bake them for 10 minutes. You can serve them with butter or jam. Yum.

That's all for today. See you next time on Easy Recipes. Byeee.
