Good afternoon. The study abroad program in Melbourne is coming next week. Melbourne is in the southern part of Australia. We have been learning about Australia for two months. You can speak English better and make foreign friends through this 2-week program. Are you ready to go?

Today, I want to check the schedule. On the first day, we have a long flight for more than 10 hours. After that, we need to take a bus to a local high school. The teachers, students, and the host families will hold a welcome party for us at the school. Some of the students from other countries will make food from their countries. The Italian students will make pizza and the Indian students will make tandoori chicken.

On another day, we will go to the zoo and can see kangaroos and koalas. You can take a picture with a koala for \$20 if you want but you aren't allowed to touch them. It is against the rules. You can buy food for the kangaroos and give it to them by hand.

Finally, here are some rules that you need to follow. You must not swim at the beach because it is dangerous. You can make friends through smartphone games, but don't play them too much. You will be part of your host family so you need to help with tasks such as washing dishes or cleaning rooms. I want you to have good time, so please follow these rules.

Masami: Hey, it's been so long! I can't wait to see you in Germany during this summer vacation.

Adam: It's great to see you again. We last met in Australia four years ago, didn't we?

Masami: I don't think so. We had finished the study abroad program in 2018, so it was five years ago exactly. We enjoyed playing basketball and going karaoke there.

Adam: Absolutely! And don't forget that we watched the national basketball match between Japan and Germany at the stadium. It was an exciting game. Anyway, I heard you wanted to play basketball while you are here. When are you free to play?

Masami: Yeah. I will be there from July 27th to the 30th. How about the 29th? It's a Saturday.

Adam: Sorry, I will work on that day but I will be free on Sunday morning. I'm going back to Japan on Sunday evening. If we play on Sunday, we can play with my friends.

Masami: Sunday morning is fine. Can I invite my friends too? There are four of us but one is injured so she cannot play.

Adam: Sure! It's going to be a lot of fun. Let's meet at the local gym at 10 am. I'll make a reservation.

Masami: Okay.
