

城西大学附属城西高等学校 入学試験(数学)解答用紙  
(第1回)

|    |  |    |  |                 |
|----|--|----|--|-----------------|
| 番号 |  | 氏名 |  | <div></div> 100 |
|----|--|----|--|-----------------|

|   |     |                    |      |                    |
|---|-----|--------------------|------|--------------------|
| 1 | (1) |                    | (2)  |                    |
|   | (3) |                    | (4)  |                    |
|   | (5) |                    | (6)  |                    |
|   | (7) |                    | (8)  |                    |
|   | (9) |                    | (10) |                    |
| 2 | (1) | $x =$              | (2)  | $x =$ , $y =$      |
|   | (3) | $x =$              | (4)  | $x =$              |
| 3 | (1) | $\angle x =$ (度)   | (2)  | $n =$              |
|   | (3) |                    | (4)  | $a =$              |
| 4 | (1) |                    | (2)  | $a =$              |
|   | (3) |                    |      |                    |
| 5 | (1) | (cm)               | (2)  | (cm)               |
|   | (3) | (cm)               |      |                    |
| 6 | (1) | (cm)               | (2)  | (cm <sup>2</sup> ) |
|   | (3) | (cm <sup>3</sup> ) |      |                    |
